

How to find your Parish Access Code

You will need to know your parish access code when you try to access our liturgy resources at liturgy.lifeteen.com or when you register for the first time for the Life Teen & Franciscan University of Steubenville Youth Ministry Certificate at youthministrycertificate.com

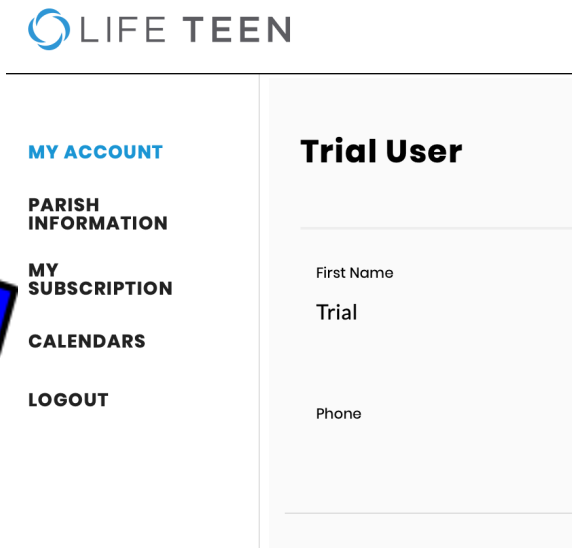

To find your parish access code, login with your email and password to resources.lifeteen.com. Don't have a login for resources.lifeteen.com? In that case, reach out to the youth minister at your parish or contact us to see if your parish still has a current subscription at support@lifeteen.com.

Once you are logged in, go to My Account on the top right hand corner
